

Career Division

Design Your Career

by developing your interests & strengths

Four courses within the Career Division allow you to bring out your best abilities

Academic Course

Business Design Course

Life Design Course

ICT Design Course

These courses are designed to give students a wide range of knowledge, allowing them to become successful in their career choice upon graduation. The Academic Course provides the students with a solid Liberal Arts foundation needed to enter the university of their choice. In the Business Design Course, students acquire business skills focusing on Accounting and Marketing. The ICT Design Course exposes students to the fundamental skills and knowledge required in Graphic Design. The Life Design Course is designed to equip students with the skills needed in fashion, culinary arts, and home economics through practical training.

Sports Clubs
